Sellers Prompt : 23/06/2021

QUALITY

Overall, similar to last.

COMMENTS

A total 7.5 M/Kgs were on offer this week. Once again, there was good demand for the better teas, whilst the others witnessed fair demand mostly at easier rates following quality.

Ex-Estate offerings were marginally lower to last and totalled approximately 1.0 M/Kgs. A selection of good teas from the Western planting districts continued to sell at firm to dearer rates, whilst a majority comprising of fair average quality teas weakened by a further Rs. 10-20 per kg. Teas from the Eastern slopes - Uda Pussellawa BOP's continued to weaken by Rs. 20 per kg, whilst the corresponding BOPF's which commenced Rs. 10 per kg lower strengthened as the sale progresses and sold at firm to marginally dearer rates. Uva BOP's declined Rs. 20-30 per kg particularly for the teas in the higher price bracket, whilst the corresponding BOPF's followed a similar trend and declined Rs. 20-30 per kg.

High and Mid Grown CTC teas - BP1's continued to be difficult of sale, whilst the PF1's were firm to Rs. 10-20 per kg lower following quality. Corresponding Low Grown varieties - BP1's were Rs. 20-30 per kg lower and often difficult of sale, whilst the PF1's gained Rs. 20 per kg and more as the sale progressed, perhaps following less availability this week.

Low Grown comprised 3.1 M/Kgs in the Leafy/Semi Leafy and Tippy catalogues. There was fair demand.

Well-made OP1/BOP1's maintained, whilst a range of improved Below Best varieties gained. Others and poorer sorts maintained. Better OP/OPA's were dearer, whilst a range of improved Below Best varieties too gained. Others were irregular and lower. Better PEK/PEK1's were fully firm to selectively dearer, whilst a range of improved Below Best varieties maintained. Others and poorer sorts were barely steady.

In the Tippy catalogues, well-made FBOP's together with cleaner Below Best appreciated, whilst the balance were irregular following quality. Select Best and Best FF1's were firm. Cleaner Below Best too sold around last levels, whilst the balance were easier following quality.

In the Premium catalogue, very Tippy teas continued to attract good demand. Best and cleaner Below Best appreciated, whilst the balance were easier following quality.

SRI LANKA TEA EXPORTS - MAY 2021

Tea Exports for the month of May 2021 totalled 23.79 M/kgs, showing an increase of 1.13 M/kgs vis-à-vis 22.66 M/kgs of May 2020. When analysing the main categories of exports Bulk Tea has shown a marginal decrease, whilst Tea Bags and Packeted Tea have shown an increase compared to the corresponding period in 2020. Total revenue of Rs. 21.80 B of May 2021 shows an increase of Rs. 1.46 B compared to Rs. 20.34 B of May 2020. The resulting FOB value of Rs. 916.47 (USD 4.69) records an increase of Rs. 18.80 compared to Rs. 897.67 (USD 4.83) of May 2020. It would be noteworthy that whilst the Rupee FOB values have increased in 2021, in USD terms it reflects a lower value.

January-May 2021 cumulative exports totalled 109.99 M/kgs, showing an increase of 09.59 M/kgs vis-à-vis 100.40 M/kgs of January-May 2020. All main categories of exports (Bulk Tea, Tea Bags and Packeted Tea) have shown an increase compared to the corresponding period of 2020. Meanwhile, revenue of Rs. 103.07 B of January-May 2021 has recorded an increase of Rs. 18.36 B vis-à-vis Rs. 84.71 B of January-May 2020. Total FOB value of Rs. 937.09 (USD 4.83) shows a gain of Rs. 93.34 when compared to the Rs. 843.75 (USD 4.60) of January-May 2020 (See more details on Page No. 8).

Turkey has retained the No. 1 position as the major importer of Ceylon Tea, followed by Iraq and Russia with the U.A.E. moving up to the 4th position having increased imports significantly (218% YoY). Iran, which has moved down to 8th position from the 4th position it occupied in 2020, records a fairly substantial decrease (33% YoY) in imports during January-May 2021. Other notable importers are China, Azerbaijan, Libya and Syria. Meanwhile, destinations such as Saudi Arabia and Chile have recorded a decrease in imports during the period under review. It is noteworthy that imports to China have increased substantially (52%) YoY (See more details on Page No. 9).

NOTE

Next week's Auction is scheduled on Monday, 21 and Tuesday, 22 June 2021.
