Quality

A selection of Westerns and Uvas remained useful. Limited offerings of Nuwara Eliyas and Uda Pussellawas, whilst the Low Growns were similar to last.

COMMENTS

Auction offerings moved up marginally and totalled 5.2 M/Kgs. Good general demand with the better teas often securing a premium.

Ex-Estate offerings declined to 0.66 M/Kgs from the 0.70 M/Kgs on offer the previous week. Overall quality was marginally improved.

Consequently, as observed over the past couple of weeks, the better teas often edged up following quality and a similar trend continued this week as well. At the lower end of the market, BOP's continued to be a weak feature with a price parity of Rs. 200 per kg in favour of the BOPF grade.

High & Mid Grown CTC teas and particularly the better teas continued to sell consistently, whilst the secondary types were sluggish.

Low Growns totalled approximately 2.4 M/Kgs. Fair demand was witnessed in the Leafy, Semi-Leafy and Tippy categories, whilst the Premium category met with good demand.

In the Leafy and Semi-Leafy catalogues, Select Best and Best BOP1's were firm, whilst the Below Best together with the bolder varieties declined. Teas at the bottom maintained. OP1's, in general, were firm to dearer. Well-made OP's were easier, whilst the balance sold around last levels. Select Best OPA's were firm to dearer, whilst the Best and Below Best varieties together with the teas at the bottom declined. Select Best and Best PEK's were irregular, whilst the balance together with the mixed/open varieties were easier. Teas at the bottom maintained. Well-made PEK1's were firm, whilst the Below Best together with the mixed varieties were easier. Clean leaf teas at the bottom were firm.

In the Tippy catalogue, a selection of high-priced FBOP's were firm, whilst the balance together with the Best and Below Best sold around last levels. A few Select Best FF1's were firm, whilst the balance together with the Best were irregular. Below Best and teas at the bottom were easier.

In the Premium catalogue, Tippy teas in general appreciated.

St. Coombs Estate Silver Needles Wins Gold at the Great British Food Awards 2026

Dorothy's Teas was presented a Gold Award at the Great British Food Awards for its St. Coombs Estate Silver Needles tea (Tea Category).

The Great British Food Awards celebrate and recognises the finest artisanal produce in the food and drink industry in Great Britain.

Competing against internationally renowned brands, the tea emerged as the category winner highlighting the exceptional quality of Ceylon Tea. This award-winning tea was sourced by Robert Wilson's Ceylon Tea, with Forbes & Walker Tea Brokers (Pvt) Ltd serving as the selling Broker.

This achievement is also a testament to the dedication and unwavering commitment of the management and team at St. Coombs Estate, which is managed by the Tea Research Institute of Sri Lanka.

World Tea News

Russian energy ties seen fueling demand for Indian orthodox teas

In FY26 (April 2025-March 2026), India exported around 31.32 million kg of tea to Russia, making it the country's third-largest destination by volume after the UAE and Iraq.

The deepening energy relationship with Russia could indirectly provide a tailwind for Indian orthodox tea exports.

Russia continues to be a major destination for Indian tea, with demand for premium orthodox varieties showing greater resilience than the broader Russian market.

However, exports to Russia weakened during 2025. Between January and August, Indian tea shipments to the country stood at 20.84 million kg, compared with 26.92 million kg during the corresponding period of 2024 – a decline of about 23 per cent. Further, there is a renewed demand for orthodox teas.

For Indian exporters, particularly those targeting Russia and the CIS, the emerging trend is therefore less about a broad-based recovery in tea volumes and more about a shift towards higher-value teas.

Orthodox tea prices have generally increased over the last six months, particularly for good - made-leaf teas, which remain competitively priced compared with Sri Lankan teas.
